Safeguarding Implementation

We recognise that implementation is an on-going process. Volunteers, staff and management in BeLonG To are committed to the implementation of this Child Safeguarding Statement and the procedures that support our intention to keep children, young people and vulnerable young adults safe from harm while availing of our services. BeLonG To's Child Safeguarding Statement will be reviewed by August 31st, 2024, or as soon as practicable after there has been a material change in any matter to which the statement refers.
